## **WELDING (Certified)**

*Too many Unionized Contractors have Certified Welders to list them all here. Among Crafts that have such members are Boilermakers, Iron-workers, Millwrights, Plumbers & Steamfitters, and Sprinklerfitters. Other unions including the Bricklayers, Carpenters, Electricians, Operating Engineers, and Teamsters also have welders. All those unions are listed in the centerfold of this directory. Give them a call.*
